Complete lyrics:

V1

Let joyful songs of thankfulness
Fill every heart today!
For God, in love, devised a plan
To take our sins away!

Chorus:

*He rose up from the grave that day,
He rose for all to see!
He died to take the sinner's place,
He rose to set us free!*

V2

To pay for sins, men had to die,
Our sinless God had said,
But He sent down His perfect Son
To take our place instead.

V3

It was a most amazing plan
That Christ should die for men;
And to declare God's work complete
He rose to life again!
